

The heart and soul of the Shrine are Shriners Hospitals for Children. These 22 pediatric specialty hospitals help thousands of children each year, absolutely free of charge. These centres of excellence provide assistance to children with orthopaedic problems, burn injuries, spinal cord injuries, cleft lip and palate conditions. Admission to a Shriners Hospital is based on medical need. Children from infancy to their 18th birthday are eligible for admission to a Shriners Hospital if treatment would benefit the child.

AN INVESTMENT IN HUMANITY

As a Noble of the Shrine fraternity, you will be a part of this great philanthropy knowing that thousands of children each year are being helped because of the good works of the Shrine.

Shriners are members of the Masonic Order and practice the principles of Freemasonry-
Brotherly Love, Relief and Truth.

Freemasonry dates back hundreds of years to when stonemasons and other craftsmen on building projects gathered in shelter houses or lodges. Through the years these gatherings changed in many ways until formal Masonic lodges emerged, bound together not by trade, but by their own wishes to be fraternal brothers. The Shrine offers men, their ladies and their families an opportunity to meet new friends who have similar interests, tastes and feelings.

What are the benefits of becoming a Shriner?

- ❖ Membership in a well-known fraternal organization recognized for its social and philanthropic activities.
- ❖ Opportunity to develop lasting friendships with others from all walks of life.
- ❖ A variety of social activities available for the entire family.
- ❖ The privilege of being part of the "Worlds Greatest Philanthropy," with fellowship wherever Shriners meet.
