

SALUTE:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthems of Canada, the United States, Mexico, Panama, Philippines or Germany. (If uncovered, come to attention and face the flag. DO NOT salute, place the right hand over the heart.)

SALUTE TO THE FLAG:

A Noble who is wearing his FEZ will execute a right-hand salute when the Colours are within six paces of him, he will not remove his FEZ. After the Colours have passed, he should drop his right hand. In the case where the same Colours pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colours need not be saluted a second time. When not wearing a FEZ, the right hand should be held over the heart.

WEARING THE FEZ:

The FEZ must be worn with the emblem directly centered on the head and worn in its proper shape without crushing, creasing or alteration. ONE FEZ PIN is allowed to hold the tassel in place. Other ornamentation is prohibited. During prayer, the FEZ should be removed and held in the right hand over the heart.

THE SALAAM:

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam. The Potentate should give the sign of the Order in return. The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate give the sign of the Order in return. No other Unit member "Salaams".

SALUTATIONS:

A Potentate or Past Potentate is always addressed as "Illustrious Sir". The prefix "Past" should not be used when addressing a Past Potentate. Members of the Elective Divan should be referred to by the title of their office, or by Noble..
